

Chairman's Report

2015-2016

This has been a quieter year with only half the planning applications than last year although there were three tree applications.

The council donated £200 to the Somerset & Dorset Air Ambulance
Poyntington gained Superfast Broadband thanks to Mathew Gleed coming to a meeting and asking the question Why not ?

Possibly the saddest part of 2016 was the resignation of DCC Councillor Bevan due to ill health and family reasons

A large thank you must go to Mrs Edwards all of councillors with special thanks to WDDC Councillor Gould and of course DCC Cllr Bevan for keeping us up to date with progression and development from Head Office.
